

## Course 7017: DeltaV Implementation II

**CEUs: 3.2**  
**Cost: \$3,650.00**

### Overview

During the four-and-one-half day course, the student will be able to identify function block structures, interpret function block status values, design error masking, define nodes, configure class-based control modules using the Command-Driven algorithm. This course includes access to a virtual DeltaV system to practice and review course workshops complete with brief recorded demonstrations available after course completion.

- Configuration of Equipment Modules for Supervisory Control
- Custom Faceplates and Dynamos

### Topics

- Function Block Structures & Status Values
- Analog Control Palette Blocks PID Bias/Gain, Deadtime, Ratio, Signal Characterizer, Splitter
- HART Inputs and Outputs
- HART Device Alarms
- AMS Intelligent Device Manager
- Unit Alarms
- DeltaV Tune with InSight
- Device Control Options
- Class Based Control Modules

### Audience

This course is for process control engineers responsible for designing, implementing and testing configuration using the DeltaV system.

### Prerequisites

Course 7009, DeltaV Implementation I

## Course 7017: DeltaV Implementation II

**Location:**

Novaspect Training Center  
2885 Water Tower Place  
Chanhassen, MN 55317

**Date:** December 11–15, 2017

**Time:** 8:00 AM to 4:00 PM

**Cost:** \$3,650.00

### Meals:

Breakfast & Lunch provided.

### More Information:

1-952-934-5100

**Registration:** Purchase order or payment is required at the time of enrollment. PO, check, or credit cards payable to Novaspect. To Enroll: Register online at: <http://www.novaspect.com/education.html> or call the Novaspect Hotline at 847-709-8940.

**Cancellations:** If your plans or budgets change, you may cancel your reservations up to 14 calendar days prior to the start of the course without incurring a cancellation charge. Limited enrollment makes it necessary to charge 50% of the full tuition for cancellations received during the 14 days prior to the start of the course, and full tuition for failure to attend without canceling. Substitutions are accepted until the first day of class.
